

New players watch these videos before watching the game. They will provide you some of the background knowledge required to get the most out of it.

Logistics to understand: Some rules and terminology to help with learning the game of ultimate.

<https://www.youtube.com/watch?v=D3mpy8YWWag>

Down field positioning: These are the 2 most common formation for downfield play in ultimate. At Cathedral we will primarily use the vertical stack, but it is important that you are familiar with both.

Vertical stack:

Horizontal stack:

<https://www.youtube.com/watch?v=FTZdFGvHuXs>

Basic cutting: Some basic field movement, I understand this not the best way to give you this information, but we must make do.

Handler Cutting:
